

POLICY ON PRIVACY AND PUBLIC ACCESS TO ELECTRONIC CASE FILES

In compliance with the policy of the Judicial Conference of the United States and the E-Government Act of 2002, criminal documents posted on PACER shall comply with the Court's General Order No. 514-C.

General Order 514-C governs the inclusion of personal data identifiers in publicly filed court documents. The order places the responsibility for redacting personal information on counsel, the parties, or any other person preparing or filing the document. The Clerk will not review each pleading for compliance with the policy. Failure to comply with General Order 514-C may subject counsel or parties to the disciplinary power of the court.
